47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is a fantastic company. Far superior service in every way over the bigger companies.

Broadband is vital to my business and my family.

I choose Sonic because its a smaller company, way more caring than Comcast or AT&T ever was, with better prices for better service Land line Phone service is also superior.

More competition is so much better. Big companies don't care. Maybe with some competition those big companies can learn.
